WHY I BOUGHT A

THE CAR THAT SATISFIES

Joe K. Bren, of Kansas City, Ma., who staged the Elks Minstrel in Mexico recently says of his CADILLAC CAR:

Execus City, Mo I brought the Cadillac because, after looking over all the other makes, I found it not only the best, but far appears to any six of the price and as good as any of them which cost half again as much. We have drives our car over 8000 miles during the most terrible winter have trought at the hay a over had and it is jout as good bigday as it was when we hought it. We have ever had a peany expense, orbinde of the general expense and the electric self starter was the means of saving it from the Fotcher Cowherd fire here several weeks up. If your concern knops on putting out this good a car, you can red assume that we will ride in Cadillacs all our lives
